FOREWORD

序言

I am excited to unveil the Forest City Golf Resort. It is always a great thrill for me to collaborate with my father, Jack Nicklaus. We work side by side to develop a golf course strategy and guide its evolution to reality.

Forest City Golf Resort began as a peninsula of land rich with mangrove forest and accompanied with native wildlife and flora. It was our goal to preserve the natural environment while creating a fun and competitive golf facility that would provide many years of golf recreation and education. We did just that.

My father and I believe Forest City Golf Resort will be capable of hosting events for highly skilled golfers. As well, Forest City Golf Resort will provide a golf playground for all levels of golfers. It is our hope that families will come together and learn the game of golf here at Forest City.

We hope you enjoy Forest City Golf Resort as much as we enjoyed its creation. Good golfing to all.

Jack Nicklaus & Jack Nicklaus II

我很高兴能为森林城高尔夫度假村揭幕。对我来说，能和父亲杰克·尼克劳斯合作是一件令人兴奋的事。我们携手合作，共同设计并制定球场攻略，并引导其走向现实。

森林城市高尔夫度假村坐落于一个土地富饶的红树林半岛，有非常丰富的野生动植物相伴。我们的目标是保护自然环境，同时创造一个有趣味性和有挑战性的高尔夫球场，提供高尔夫娱乐和教育。我们都是这么做的。

我父亲和我都相信森林城市高尔夫度假村将有能力为高水平的高尔夫球手举办活动。此外，森林城市高尔夫度假村还将为不同水平的高尔夫球手带来不一样的体验。我们希望，在这座森林之城，家家户户都能一起学习高尔夫。

我们希望您喜欢森林城市高尔夫度假村，就像我们喜欢它的建设一样，所有人都打高尔夫。

杰克·尼克劳斯和杰克·尼克劳斯 II

1

PAR 4

● 464
● 431
● 399
● 349

A relatively straight Par 4 opening hole with bunkers either side of the wide landing area. The green is more easily approached from the left side. The back-right part of the green is guarded by the right-side green bunker. A low collection area behind the green will gather long approach shots.

看似笔直又开阔的球道，首杆需注意球道两侧沙坑陷阱。第二杆建议偏向果岭左侧方击球，以避开果岭右侧的沙坑。

2 PAR 4

● 414
● 379
○ 343
● 309

The tee shot on this Par 4 is best played to the right side, the best angle to approach the green. The front left of green is guarded by three (3) bunkers that create an element of visual deception. The front of the green is convex with valley separating the back from the front section. The hidden valley between the bunkers and green will collect any short approach shots.

此四杆洞建议由右侧向果岭发起挑战，以避免果岭左侧前方的三组大沙坑。挥杆前，球手也需注意观察果岭周遭的地形的变化，避免中埋伏。

3

PAR 5

- 587
- 553
- 521
- 462

A wide Par 5 with water on the right-side from tee to green. The right-side fairway bunkers will tempt stronger players to try carry them and if successful will be rewarded with a shorter route to the green. A pot bunker protects the second landing area. The green is separated from the lake by a beach bunker.

水障碍自发球台的右侧，一直延伸至果岭前端。技术型的球手，可自信的向球道右侧发起进攻。若挑战成功，球手将会收获通往果岭的最短路径。但也别忽略了，在水障碍和果岭间，蛰伏着沙坑与沙洲这“双重拦路虎”。

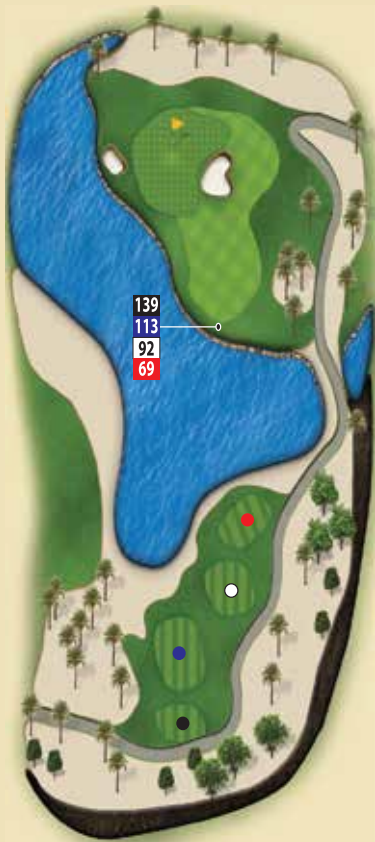

4 PAR 4

● 491
● 462
○ 422
● 372

A visually spectacular Par 4 adjacent the river with a lake water right of the landing area. A beach traverses the right side of the fairway from tee to green. The bunker cluster short left of the green makes an approach from the left side challenging.

景色宜人的四杆洞，左侧毗邻着河流，右侧为美丽的湖泊和海景。沙洲从发球台横穿至球道右侧，一直延伸到果岭。球手切勿被果岭边的海景景色所迷惑，果岭前方围绕着的沙坑群仍是不小的挑战。

5
PAR 3

● 195
● 160
● 143
● 121

This Par 3 has water left of the green. The green is undulating and well-guarded by bunkers left and right. The high pin back right is well protected.

美丽的湖泊将发球台和球道隔开，而沙坑犹如忠诚的守卫般，坚定不移地守护在果岭的左右两侧，为球手增加了点挑战难度。挥杆前，球手需留心果岭周遭地形起伏变化，沉着应对前方的障碍。

●	346
●	305
○	261
●	229

传奇球场中最短、挑战难度最大的四杆洞。水障碍自发球台，一直延伸至果岭右侧。果岭前方的沙坑群，及果岭周围的高低落差，都是挥杆前要仔细考量的因素。

7 PAR 5

● 599
● 584
○ 539
● 490

A long three (3) shot Par 5 with double fairway at the first landing area. The best tee-shot will be on the high right-side fairway, but the generous width offers players numerous ways to play the hole. Players on the low left fairway will be visually blocked by the high "dune" left of the second landing area. The low fairway extends left and behind the gently undulating green.

挑战难度不大的五杆洞，最佳开球点为球道右上方。宽大的球道，让球手可以尽情地体验和挑战多种不同的球路。选择向较高难度挑战的球手，可向球道左侧发起进攻。地势较高的沙坑，和较低且起伏的球道，皆是球手将面临的考验。

8 PAR 3

● 247
● 206
○ 166
● 142

This is a long Par 3 with water left. The back left of the green is protected by a bunker. Mounding between the bunkers right of the green will feed a right to left shape shot.

传奇球场中最长的三杆洞。首先映入眼帘的，是发球台左侧的美丽湖泊，和被沙坑群层层守护的果岭。球手在挥杆前，需谨慎观察，切勿只关注左侧的水障碍和沙洲，而落入右侧的沙坑陷阱。

9 PAR 4

● 388
● 355
○ 335
● 292

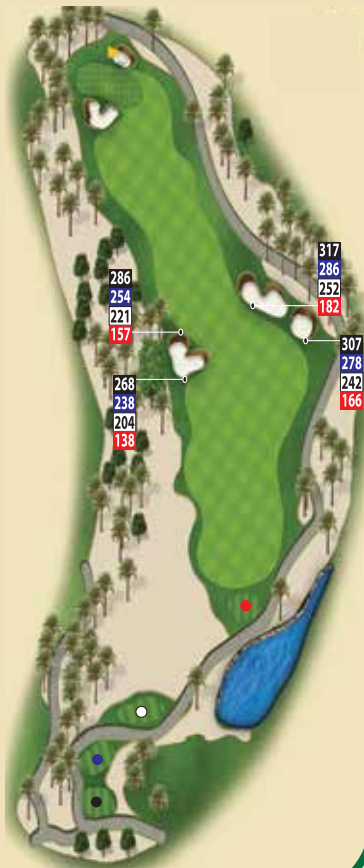

A relatively short Par 4 playing to an elevated landing area with water right. The two (2) bunkers in the middle of the fairway hide the low fairway on the left. The small green is more easily attacked by three shot that flirts with the lake.

相对较短的四杆洞。该洞发球台比球道高，左侧较低的球道被中间的两个小沙坑所遮掩，让球手产生左侧球道较高的错觉。此外，果岭环绕着的沙坑群，及该洞果岭偏小，为征服该洞增添了些许难度。

- 455
- 425
- 393
- 322

此四杆洞球道沙洲左短
右长，且横贯于发球台
之间。建议球手由球道
右侧向果岭发起进攻，
更容易打出短杆收尾，
左路进近的球，更容易
偏离球路落入深沙坑。

●	372
●	347
○	309
●	236

征服难度稍高的四杆洞。追求突破自我型的球手，可自信地直接挑战水障碍，直击果岭。稳妥型的球手，首杆可选择偏右侧球道击球，后挥杆只需小心避开沙坑群，即可挑战成功。

12 PAR 5

● 616
● 566
● 519
● 454

A long Par 5 with numerous option for both tee shot and second shot. The bunkers right of the first landing area may be carried by stronger players offering a good view of the green. Bunkering at the second landing area appear to be closer to the green than they are, this creating a visual deception.

传奇球场最长的五杆洞。宽广的球道，令球手可以选择多种不同的球路。勇于向高难度挑战的球手，可选择右侧击球，直接突破沙坑群的重围。果岭前方的沙坑群，与周围的落差地形，容易令球手产生视觉上的偏差。因此，在次杆挥杆前，球手需密切留意和判断击球距离。

13 PAR 3

- 215
- 185
- 165
- 132

A strong Par 3 with a waste bunker from tee to left side of the green. The green shape favours a right to left shot shape. The support mounding right of green will feed a shot onto the green but the bunkering will collect an errant shot.

挑战系数极高的三杆洞，巨型沙洲将发球台和球道一分为二，且一直延伸至果岭左侧。从高空俯瞰，可看到球道距离较长，是第一重障碍，而果岭周围三组又狠又深的沙坑，将是挑战者需攻克的第二重障碍。

14 PAR 4

- 429
- 399
- 365
- 309

This strong Par 4 has a double fairway, high left and low right. A heroic tee shot that carries the bunkers to the high fairway will offer a good angle to the green. The green is large undulating. A large sandy waste bunker extends through the hole and protects the right side of the green.

独特的左高右低的双球道设计。最佳落球点为左侧较高球道，首杆仅需注意避开沙坑，这将是直面果岭的最佳角度。此外，参差错落的果岭、沙洲与沙坑，也是球手需严谨面对的难题。

15

PAR 3

- 188
- 167
- 132
- 114

A very short Par 3 adjacent to the river. The beach bunker extends tee to green and may flood at high tide. The green has significant elevation changes between pin locations so accuracy off the tee is vital.

别致的三杆短洞，和河流、沙滩相伴。涨潮时倒灌的河水，和绵延至果岭的广阔沙滩，是球手需要面对的双重困境。如何准确预判果岭的最佳落球点，将会是制胜的关键。

16 PAR 5

- 539
- 497
- 457
- 408

A relatively short Par 5 depending on the wind direction. The beach bunker on the right extends tee to green and is to be avoided. The bunker cluster short left of the green may be carried for and easier approach angle.

一个相对较短、危机四伏的五杆洞，其球路容易受风向左右。自发球台一直延伸到果岭的沙洲，以及球道间绵亘蜿蜒的沙坑群，时刻提醒着球手挥杆前需三思。

17
PAR 4

● 399
● 372
● 346
● 301

The bunker right of the landing area may be carried by strong players. If successful a partial view of the “punch bowl” green will be the reward. The large green is almost entirely visually hidden by high dune. Any approach from the left is totally block.

信心十足的球手，可强势地直接向沙坑群发起挑战。成功跨越眼前的障碍后，胜利就在不远处。此外，三组沙坑所形成的包围圈，和果岭周围错综复杂的地形，易守难攻，完美的阻隔了任何从左侧进攻的可能性，是个非常棘手的难题。

● 442
 ● 384
 ○ 343
 ● 308

传奇球场收官的四杆洞，发球台右侧为美丽的湖泊。直面果岭的最佳角度危机与机遇并存，球路需紧靠水障碍、避免球落入湖中，是对球手的一大考验。稳中求胜的球手，可以选择向左侧击球，注意避开沙坑即可。果岭左侧前“深谷罐子”沙坑，是攻陷果岭的最大障碍，球手需谨严看待。
